Product Description

Product Description:

Synthetic Hair Wigs are a great way to add length, volume and color to your hair quickly and easily without the commitment of a permanent hairpiece. These wigs are made from a high-quality synthetic hair that looks and feels natural, with adjustable straps to ensure a secure fit. The wig also features a baby hair option for a more natural look and an elastic band to secure the wig in place. The parting options available are middle, side or none, and the texture can be straight, wavy or curly. Synthetic hair wigs are a great alternative to synthetic hair extension pieces and hairpieces, allowing you to create a beautiful look quickly and easily.

In addition, our customer service team is available to answer any questions or concerns customers might have. We are committed to providing a high level of customer satisfaction and will work to ensure our customers' needs are met.

Packing and Shipping:

Packaging and Shipping for Synthetic Hair Wigs

Synthetic hair wigs are packaged in a sealed plastic bag, and then placed in a box with protective foam padding. The box should be labeled with the product name and any necessary information regarding the product.

When shipping synthetic hair wigs, they should be carefully packaged to ensure they are not damaged in transit. The box should be reinforced with packing tape and any fragile parts should be padded with bubble wrap or foam. The box should be labeled with the correct shipping information and any necessary warnings or instructions.

FAQ:

Q: What is a synthetic hair wig?

A: A synthetic hair wig is a wig made from synthetic fibers designed to imitate the look and feel of human hair. They are usually more affordable than human hair wigs and require less maintenance.

2. How long do synthetic hair wigs last?

Q: How long do synthetic hair wigs last?

A: Synthetic hair wigs usually last between 3 and 6 months with proper care. Factors such as how often you wear the wig and the products you use can affect the lifespan of the wig.

3. Can I dye a synthetic hair wig?

Q: Can I dye a synthetic hair wig?

A: Synthetic hair wigs cannot be dyed as they are made from synthetic fibers that cannot take dye. However, many synthetic hair wigs come in a variety of colors and styles, so you can choose one that matches your desired look.

4. Are synthetic hair wigs breathable?

Q: Are synthetic hair wigs breathable?

A: Yes, synthetic hair wigs are breathable and comfortable to wear. They are designed with mesh caps to allow for ventilation and keep your scalp cool.

5. Can I use styling products on my synthetic hair wig?

Q: Can I use styling products on my synthetic hair wig?

A: Yes, you can use styling products like mousse and gel on a synthetic hair wig. However, it is important to use products specifically designed for synthetic wigs to avoid damaging the fibers.
